

**Faculty of Agriculture, Kasetsart University**  
**Department of Entomology, Bangkok, 10900, Thailand**  
**Insect Systematics Laboratory**

**Akekawat Vitheepredit, PhD (Entomology)**

University of Missouri, USA

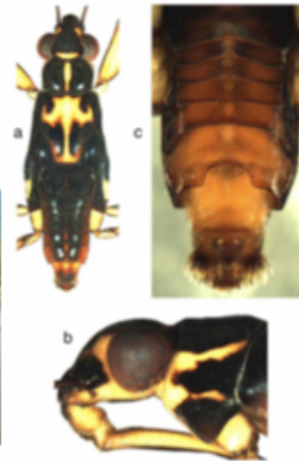

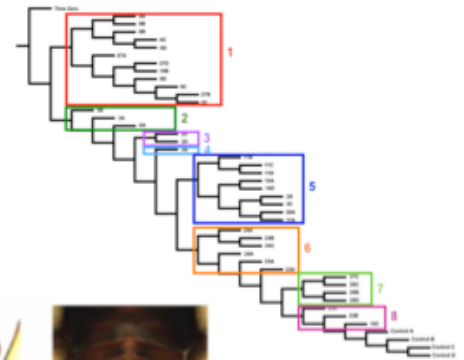

Email: akekawat.v@ku.ac.th

**Teaching:** Insect Systematics, Insect Taxonomy, Ecology of Aquatic Insects, Insect Biodiversity

**Research interests:** Systematics of aquatic and semiaquatic Heteroptera, Insect Biogeography, Insect Phylogeography, Insect Conservation

**Current Projects**

1. Biogeography of aquatic and semiaquatic Heteroptera of the central mountain ranges
2. Aquatic and semiaquatic Heteroptera of Khao Soi Doa Mountain Range
3. The effect of land uses to aquatic insect communities in Kanchanaburi Province, Thailand
4. The aquatic insects and water quality at Khao Sam Roi Yod Wetland, Prachaup Khiri Khan Province.
5. The diversity of aquatic insect at Sakaerat, Nakhon Ratchasrima Province

95% statistical parsimony haplotype network of mtDNA of *P. tigrina*.

**Recent Publications**
